September 2021

The 2021-2022 school year has officially begun and we are very excited to have the laughter and smiles of our HPK friends again, both new and returning!

Our mission at HPK is to help children learn that school is fun! Through the use of stories, playing, meeting new friends and knowing that God is always with us, we hope to create a positive school atmosphere that children will carry with them forever☺

Cheerfully,
Beth Prosser

A Note from Highland Park UMC....

School is back in full swing! We are so excited for the things happening at HPK this year! HPK is part of the Children's Ministry of Highland Park United Methodist Church. Our Children's Ministry is designed to help our children grow in their relationship with Jesus, with others, and within themselves. The Bible tells us that Jesus grew in wisdom, body, and in favor with God and people. That's our mission here.

The primary place that children learn and grow is at home. The church is here to help parents and others raise their children, so they grow strong in those four areas. As this year progresses, we invite you to join with us in all of the ministries for children and parents at Highland Park. In addition to HPK, we have Sunday school, Kidz Quest, Children's Mission Days, Worship, and Vacation Bible School. Please contact Amanda Hesbach for questions and upcoming childrens events at HPUMC.

Bible Verse

"Finally, let the mighty strength of the Lord make you strong."
Ephesians 6:10-18

5 Minutes with the BIBLE

Your child's schedule probably already includes bath time, naptime and bedtime. How about 5 minutes of Bible time? No child is too young to learn from the most important book in history. Here are some pointers:

- *Set a routine
- *Sing fun songs
- *Read from a children's Bible
- *Introduce additional material
- *Toss in real life-use visual aides from home
- *Make prayer easy by modeling a simple prayer
- **Be Patient **

Chapel News

Every Wednesday, we gather in the sanctuary for a special time with Mrs. Amanda. We will sing songs, hear a Bible story, and recite our monthly Bible verse, say the Pledge to the American Flag & The Christian Flag. The children can bring change to place in the offering plate to help with our monthly community mission projects. We will also practice learning The Lords Prayer!

COMMITTEES

Thank you to all who signed up for the various committees! If you didn't have a chance to sign up and would like to, please let Mrs. Prosser know.

The **Hospitality Committee** helps with monthly teacher treats☺
The **Fundraising Committee** helps with the Fall and Spring fundraisers as well as helps decide where the money will be spent.

Recess Helpers volunteer once a month on a given day for 30 minutes. Extra eyes and ears on the playground is always helpful! If you see you can help out one day, please just show up and we will direct you where to go.
